I was assigned at about 10:30 this morning to go down stairs to help guard the departure of Oswald. I was following a group of fifteen or twenty detectives. I was standing in the doorway by the telephone booth directly across from the jail office windows. Capt. Jones was giving instructions to keep an aisle open from the jail office to the ramp. There was a lot of newsmen and cameramen moving in and out. I was flanked by Det. Chambers on my right and Detectives Oserson and Archer on my left at about 11:25 AM when Capt. Fritz came out of the jail office followed by five detectives from his Bureau who had Oswald between them. We started closing up the rear and there was the sound of a gunshot. I had momentarily lost sight of Oswald and the officers escorting him because other detectives were closing in behind them. I did see a man holding a gun and aiming at him attempting to wrest the gun from him and subdue him. I jumped toward the man trying to grab the gun but was blocked out by other detectives. I didn't see where the man with the gun came from or see the shot fired.

*insight on how detectives visited the room to the floor and I heard Capt Talbot yell to block off all exits and entrances to the basement. I went to the doors leading out of the basement by the information desk and wouldn't let anyone in or out. I remained here until Capt Jones sent me to Parkland Hospital with a group of eight other detectives and Lt McKinley to guard exits and entrances to the third floor where Oswald had been taken. I remained on the assignment until relieved at about 3:00 pm.*
